General information

1st Class has a slim, metal frame of square tube that can be finished in a standard powder coat colour, or in chrome at an extra price.

1st Class has an upholstered interior and exterior with a hard-wearing, comfortable seat made from foam and Dacron. In theory, 1st class can be upholstered in any fabric; however, to keep the upholstery on the inside taut, a stretchable fabric is recommended. The minimum fabric width is 140cm. Leather upholstery is possible, although extra stitching will be needed.

With its four adjustable legs, 1st Class is always stable and straight.

1st Class will be delivered as a flat-pack. It can also be delivered assembled but this must be stated clearly when ordering. 1st Class 2 seater with side panel can only be delivered assembled.
